Declaration of responsibility

eDESDE-LTC is funded by the Executive Agency of Health and Consumers (EAHC) of the European Commission (Ref No. 2007116).

The legal responsibility for this website and its contents lies on the project co-ordination, unless otherwise specified. eDESDE-LTC does not take any legal responsibility for content of third party websites which are connected with the website of eDESDE-LTC via internet links (in both directions).

The project coordination does its best to ensure that all information published on this website is accurate and updated. It cannot accept any responsibility for omissions or inaccuracies of the information published or any losses or damages resulting from access to or use of this website or any of its content.

The project coordination reserves the right to make changes and corrections to the website's content at any time and without advance notice.

Please send any requests or notifications via e-mail to the Project Coordination or if applicable to the Technical Coordinator or the Scientific and Administrative Support at asociacionpsicost@telefonica.net.

Declaration of confidentiality

Access to or use of this website does not imply the gathering of personal data of its users on behalf of the Project coordination. However, the contact form request name, organization, telephone number and/or e-mail address in order to respond to your comments and requests as efficiently as possible. No other use will be made of this personal data.

Moreover, project coordination can access the following data from website users: website browser and operating system, IP address from which the user is connecting from as well as the time and date of the connection. The sole purpose of this information is for traffic tracking.
